Please attach a resume including the valuable skills you will bring to the Symposium, for example: marketing and/or graphics expertise, foreign language proficiency, teaching and/or administrative experience, technical knowledge of filmmaking or post-production (i.e. anything relevant to producing a successful media conference), etc.

Volunteers will receive a Three-Day Pass to attend the Symposium (valued at \$450.00) in exchange for 24 hours of volunteering throughout the event. Volunteering consists of 8 hours of setup, two 5 hour shifts throughout the event, and 6 hours of strike (clean up).

Volunteer Schedule during the Symposium:

- Sunday, October 24th and Monday, October 25th: Volunteers are expected be fully available for setup at the Denver Museum of Nature & Science for a complete 8 hour shift Monday. However, volunteers can sign up to split these hours between Sunday (Oct. 24th) and Monday (Oct. 25th). Shifts are:
 - Sunday 9am 1pm, 1pm 5pm and
 - Monday 9am 5pm, 1pm 9pm
- •Tuesday, October 26th, Wednesday, October 27th, Thursday, October 28th: All volunteers must complete two 5 hour shift assignments during the three days of the Symposium, and are welcome to attend Symposium events outside of their scheduled shifts. The shifts will be 8:30–1:30, 12–5, and 4–9. We will work with each volunteer individually to create an ideal schedule.
- Additionally, volunteers are expected to fulfill one 6 hour strike shift either on Thursday the 28th (12–6) or Friday the 29th (9–3).

Please indicate below if you have any special request or circumstances relative to the volunteer schedule stipulated above. If you must leave Denver on Friday morning, please make sure you indicate that your two 5 hour shifts must be scheduled on Tuesday and Wednesday so that you may also complete your strike shift on Thursday before you leave the Symposium.
